**We care about the Houston community and need your help to give back to the community that supports us.**  
*There's no better time to give your loved one the gift of hearing.*

As we reflect on the many blessings we've experienced this year, we recognize not everyone has been so fortunate. That's why we've partnered with the Gift of Hearing campaign to gift a member of our local community a pair of premium hearing aids. Together with ReSound and hearing care professionals across the country, we are aiming to provide \$1 million in hearing aids and care to those whose lives can be improved with better hearing.

Make 2022 the year your loved one celebrates better hearing by nominating him or her to receive a pair of ReSound ONE™ hearing aids. The hearing aids are the highest quality, rechargeable and completely free. The Gift of Hearing campaign is one part of ReSound's ongoing efforts to help 10 million people Hear More, Do More, Be More by 2025.

*"The gift of better hearing can be life-changing,"* said Dr. Sara Nagel.

Know someone in need? Simply write an essay of 300 words or less, describing why someone you know would benefit from a pair of hearing aids. Must be 18 years of age or older to be nominated. The contest will run now through January 13th, 2023. The winner will be selected through a random drawing of submissions and the winner will be notified by January 20th, 2023.

Submit your essay with your name and contact information, along with the name and contact information of the person you are nominating, to [office@centerforaud.com](mailto:office@centerforaud.com).
